FOR OUT-FUZZING A FUZZAR

## REWARD: \$1,000,000

Please get this sick man in our clutches he makes us vomit every day he roams as a free man. We will be so ecstatic if you catch him. We get it, we don't really have a photo of his face or anything, but still, you should be able to catch this monster of a man, who was able to OUT-FUZZ a fuzzar. Come on, who can do that? It isn't possible. Anyway, please catch this awful man.
